

# 2024 // BEN JOHNS / PERSEUS 3

## PROPULSION CORE

The patent-pending propulsion core allows for explosive power on drives, counters and speed ups, but with refined feel and control on resets, drops and dinks.

## NFC CHIP ACCESSIBLE

Elevate your game with the new JOOLA NFC chip-enabled pickleball paddles! Tap your phone to the handle to authenticate your paddle. Unlock an exclusive product experience through JOOLA CONNECT.

## CHARGED CARBON SURFACE

An additive bonding treatment that strengthens the surface of the paddle to provide a crisper feel with greater energy return.

## SWEET SPOT

Specially engineered paddle shape offers a larger sweet spot due to its balanced shape which provides a solid hitting feel and an optimal balance of power and control.
